★ STAR SIGNALS ★

BIG NEWS!

***** Yahoo! A lot has been happening since our last *Star Signals*. So, sit back while I fill you in on the news...

Every day editors Sid Jacobson and Larry Hama and I receive a few sacks full of mail about *Star Comics*. It's real obvious that you like what you've seen so far... but you want more! Almost every letter you've written contains a request for still another *Star* title. Well, you're the boss! Sid, Larry and I are proud to announce the addition of... not one... not two... but three brand-new super-*Star* titles!

THE CARE BEARS ARE COMING!

***** A few months ago, I asked you to write and tell me which characters you'd most like to see join our *Star* line-up.

The number one choice was the *Care Bears*! Tenderheart Bear, Cheer Bear, Love-a-lot and all the rest of those wonderful characters from *Care-a-lot* will soon be here in their very own *Star Comic*. The very first issue will be written and drawn by Howie Post (whose work you've already seen in *Wally the Wizard* and *Strawberry Shortcake*). Trust me... you won't want to miss it! (By the way, I'm sure you've seen the *Care Bear Movie* four or five times already... just like I did. My favorite parts were when we met the *Care Bear Cousins* for the first time, and, of course, the *Care Bear Stare*! What did you like about it?)

BEWARE... THE THUNDERCATS!

***** From beyond any known

galaxy, bringing with them the laws and ideals of their doomed planet, *Thundera*... come the *Thundercats* — JAGA the wise, TYGRA the invisible, CHEETARA the Quick, WILYKAT and WILYKIT the cunning junior duo, PANTHRO the deadly, and SNARF the doomsayer — who are all sworn to serve their young lord, LION-O, and to instruct him in the secrets of his mystic *Sword Of Omens*, which is the source of the *Thundercats'* power!

If you've already seen the hit television movie which tells the origin of the *Thundercats*, then you know why I'm so excited! If you haven't — don't worry — you'll be able to catch them every day in their thrilling new animated series which begins this September! (And, keep your eyes open; I'm sure the very first *Thundercats* movie will be shown again before the summer is out! You might want to catch it a second time. I know I do!)

DROIDS... featuring R2D2 and C-3PO

***** Everybody knows R2D2 and C-3PO of *Star Wars* fame. Well, starting this September, they'll be appearing in an all-new, weekly, animated television show... called *Droids*! They'll also be starring in their very own comic book from *Star*! The stories will be about their adventures before they met Princess Leia and Luke Skywalker. You'll meet some of their former owners, and see them face villains, rescue people in trouble and battle enemy spaceships! (If you're interested in their adventures after they met

Luke and Leia, you might want to pick up the *Star Wars* comic book which is published by Marvel!)

NEW EDITORS!

***** To help produce these three new comics, we've had to enlist the aid of two new editors... Merry Mike Carlin (who will be working on *Thundercats*) and Dashing Denny O'Neil (who will take over *Wally the Wizard*, so that Sid Jacobson will be free to edit *Droids*). Sid will also be doing *Care Bears*.

Welcome aboard, Mike and Denny! You're real super-Stars now!

CONGRATULATIONS ARE IN ORDER!

***** Before I leave, I want to share one more very special bit of news with you... Sid Jacobson's new novel, *STREETS OF GOLD*, will be published by *Pocket Books* this summer. It should be appearing in all of your classier bookstores in late June or early July. We at *Star Comics* know this is one novel that's guaranteed to top the best-seller lists, and we're all real proud of Sid! We wish him the best of luck... and we know that you do, too! (We just hope that we can still convince him to write an occasional *Star* comic book for us. He's real good at that, too!)

Until next month...

Thanks for being there!
